## PRODUCT DATASHEET

### OVERVIEW

---

|                          |                                        |
|--------------------------|----------------------------------------|
| <b>PRODUCT NAME</b>      | Recombinant Human GRSF1 Protein, N-His |
| <b>PRODUCT REFERENCE</b> | ARO-P17546                             |
| <b>ORIGIN SPECIES</b>    | Homo sapiens (Human)                   |
| <b>SOURCE</b>            |                                        |
| <b>FRAGMENT</b>          | Val149-Ser335                          |
| <b>TAG</b>               | N-His Tag                              |

### PRODUCT INFORMATION

---

|                                |                                                                                                                                                                                                                                              |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>EXPRESSION SYSTEM</b>       | Prokaryotic expression                                                                                                                                                                                                                       |
| <b>PRODUCTION HOST</b>         | <i>Escherichia coli (E. coli)</i>                                                                                                                                                                                                            |
| <b>MOLECULAR WEIGHT</b>        | 24.05 kDa                                                                                                                                                                                                                                    |
| <b>FORM</b>                    | Lyophilized                                                                                                                                                                                                                                  |
| <b>BUFFER</b>                  |                                                                                                                                                                                                                                              |
| <b>STABILITY &amp; STORAGE</b> | Store at 4°C for short term while lyophilized.<br>Freeze and store at -20°C or -80°C for long term.<br>Addition of 20 to 40 % glycerol may improve cryoprotection.<br>Avoid freeze/thaw cycles, aliquot the product according to your needs. |
